### "The Blood is The Life."

Science has never gone beyond the above simple statement of scripture. But it has illuminated that statement and it has lituminated that satemath and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers ough disease. The brain is also clouded, he mind and judgement are elected, and many an evil deed or impure thought make the directly traced to the impure of the blood. Foul, impure blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery. It enriches and curifies the blood thereby curing, pimples, blotches, eruptions and other cutaneous affections, as eczema, tetter, or salt-rheum, hives and other manifestations of impure blood.

larged glands, open eating vicers, or old sores, the "Golden Medical Discovery "has performed the most marvelous cures. In cases of old sores, or open eating ulcers, it is well to apply to the open sores Dr. Pierce's All-Healing Salve, which possesses wonderful healing potency when used as an application to the sores in conjunction with the use of "Golden Medical Discours," as a blood cleansing consti-Discovery "as a blood cleansing consti-tutional treatment. TORTURED TO DEATH.

As was stated in the Gazette, five people, members of the sect of Parhamities, are under arrest in Zion City accused of torturing to death Mrs. Letitia Greenhaulgh, 64 years old, to show their belief in the religion they profess.

The people under arrest are Walter and Jenuie Greenhaulgh, the son and daughter of the woman; Harold Mitchell, Mrs. Harold Mitchell and Mrs. Smith. All of them are accused of manufacture.

The sect of Parhamite was founded about a year ago by Charles F. Parham and numbers about 200. The members of the sect orginally belonged to Dowie's church, and believe in the gift of tongues, and especially in diabolical possession of the body by evil spirits.

Mrs. Smith's part in the treatment, according to the testimony before the coroner's jury, consisted in raising Mrs. Greenhaulgh's head, and holding her while Mitchell and his wife attempted to straighten the woman's limbs, which had been twisted for years by rheumatism. The tottured woman bore the treatment bravely, but at last the agony became so great that she could not restrain herself and shrieked, "Oh Lord, help me," a number of times. Accord-ing to Greenhaulgh, Mitchell declared that her cries must not be heard by outsiders and he put his hand across her r them.
